Prof. Yacov Hel-Or – Short Biography

A full professor and the dean of the Efi Arazi School of Computer Science at Reichman University (former IDC), Herzliya, Israel. Received his Ph.D. degree in computer science from the Hebrew University, Jerusalem, in 1993. During 1993-1994 he was a post-doctorate fellow in the department of applied mathematics and computer science at The Weizmann Institute of Science. From 1994-1996 he was with the NASA Ames Research Center, U.S.A., as a National Research Council associate. He has been a faculty member at the School of Computer Science at Reichman University since 1998. Consulted for several high-profile firms such as HP Labs, Google, and Amazon. He has been a visiting scholar at Google in 2011-2012 and a principal scientist at Amazon during 2016-2018, working on the Amazon-Go project. His recent interests are in the field of Deep Learning and its applications in Computer Vision and Image Processing.
